Corporate Packages

We all know building and maintaining relationships within the business world is vital and one of the best ways to do this is on the golf course where you can enjoy quality time with people important to your success.

Our corporate packages have been designed as a way for you to reward staff, entertain clients or invite friends along to play or socialise at the Club

We can offer a great opportunity for your company to benefit from a partnership with Kemnay Golf Club, which is recognised as one of the finest inland courses in the North East of Scotland.

Our Club

The course presents golfers of all standards with a set of unique challenges testing both power and placement. The course is beautifully presented with manicured and subtly contoured greens set against a backdrop of beautiful Aberdeenshire scenery.

The spacious clubhouse overlooks the course. The Nib Bar & Restaurant has a comfortable and welcoming lounge area with seating for up to 50 and a dining area for up to 50 guests.

With a healthy Membership playing regularly and over 5000 visitors annually and also very strong links to well-known business partners, Kemnay Golf Club provides a high profile and lucrative mutually beneficial opportunity.
